### REVISED ADVERTISEMENT.

**A Dictionary of the Economic Products of India.** By DR. GEO. WATT, C.I.E.,

Reporter on Economic Products.

Published under the authority of the Government of India in the Revenue and Agricultural Department.

The first five volumes and Vol. VI, Parts I, II, III & IV of the Dictionary are now ready at the Office of Superintendent of Government Printing, No. 8, Hastings Street, Calcutta, and will be supplied to non-subscribers on receipt of the price for the complete set, which is Rs. 45 in India, and 3 guineas in England (exclusive of the index, for which a separate charge will be made): packing and postage, in India, 8 annas per volume; for England, Rs. 2-6 per volume. For copies bound in half calf or half morocco, Rs. 6 and 8 shillings, respectively, will be charged extra for the whole set.

The Dictionary is intended to deal with the products of India—animal, vegetable, and mineral; each product being treated after a uniform plan, the paragraphs of which give the scientific, vernacular, and European names; habitat or source; history; properties and uses (both chemical and industrial); trade statistics; markets, &c. The work is arranged alphabetically according to scientific nomenclature, but commercial and important vernacular names are also given as cross references, so that little difficulty need be experienced in finding the account of a product even when its scientific name is unknown to the reader.

An important feature of the Dictionary consists in the fact that derived information is in every instance given under quotation marks, and with a reference to the original publication. Numerous contributors have, however, furnished the results of new discoveries and confirmed the vernacular names, so that the Dictionary is not only a complete compilation of published information, but has been brought abreast of the most recent inventions and discoveries.

Volume I contains the letters A and B, and consists of 559 royal octavo pages; Vol. II embraces the letter C in 689 pages; Vol. III contains the letters D, E, F and half of G. Vol. IV latter half of G to middle of L; and Vol. V contains the latter half of L to end of O; Vol. VI, (which will consist of four parts), Part I, contains letters P to R. The whole work will, it is expected, be completed in nine volumes (including Parts II to IV of Vol. VI) during the current year; but a tenth volume may also be issued, consisting of an Index to all the vernacular and other names contained in the Dictionary. The Index will practically be a Glossary of the vernacular and European names of the plants, animals and minerals of India, and as such will be a work of reference, which, it is hoped, may prove of considerable value.

"and shall report the same, when such officer is subordinate to the Commissioner of the Division or is a Munsif, to such Commissioner, or where there is no such Commissioner, to the Chief Controlling Revenue-authority, and such Commissioner or Authority shall, upon receipt of such report, and after hearing the Revenue-Agent or his recognised agent on his behalf, make an order acquitting, suspending for a time to be named in the order, or dismissing the Revenue-Agent.

The Revenue-Agent affected by any such order of a Commissioner of a Division may, within one month from the date thereof, appeal therefrom to the Chief Controlling Revenue-authority, and such Authority may, after hearing the appellant or his recognised agent on his behalf, confirm, reverse or vary the order appealed from, or make such other order instead thereof as may be just."

### STATEMENT OF OBJECTS AND REASONS.

UNDER section 36 of Act XVIII of 1879 it is an offence on the part of any person to solicit or receive commission from a legal practitioner in consideration for procuring him business, and equally an offence on the part of a legal practitioner to give or offer such commission. The object of this provision was to suppress the practice of touting, but the difficulty of proving the fact of the actual tender, receipt or payment of commission appears to have rendered it insufficient for the purpose, and the evil against which it was directed, instead of being suppressed, is believed to have increased to the detriment of the best interests alike of the public and of the legal profession.

It is proposed by the present Bill, which follows the lines of certain suggestions obtained from the Calcutta High Court, to amend the Act so as to render every legal practitioner, whether he be a Pleader, a Mukhtar or a Revenue-Agent, who accepts any legal business through a *dalal* or law-tout, liable thereby to suspension and dismissal by the principal Civil or Revenue Judge of the District, as the case may be; and, to make the law the more efficacious, it is provided, by way of an *Explanation*, that a person may be shown by evidence of general repute or otherwise to be an habitual *dalal* or law-tout, while the burden of proving that he did not know that such a person was an habitual *dalal* or law-tout is thrown upon the legal practitioner charged with having obtained employment through him. The increased powers of suspension and dismissal are, however, to be subject to appeal to the High Court.

The 12th August, 1895.

ALEX. EDW. MILLER.

J. M. MACPHERSON,

## GOVERNMENT OF INDIA.

## LEGISLATIVE DEPARTMENT.

The following Bill was introduced in the Council of the Governor General of India for the purpose of making Laws and Regulations on the 22nd August, 1895:

No. 16 OF 1895.

*A Bill to amend the Code of Criminal Procedure, 1882.*

WHEREAS it is expedient to amend the Code of Criminal Procedure, 1882; It is hereby enacted as follows:

1. (1) In the first sentence of section 269 of the said Code, after the word "may" where it first occurs the words "with the previous sanction of the Governor General in Council," and after the word "may" where it next occurs the words "with the like sanction," shall respectively be inserted.

(2) After the first sentence of the same section the following shall be inserted, namely:

"The Local Government may also by like order declare that, in the case of any district in which the trial of any offence is to be by jury, the trial of such offence shall, if the Judge, on application made to him or of his own motion, so directs, be by jurors summoned from a special jury list, and may revoke or alter such order."

2. In section 276 of the said Code, before the word "thirdly" the word "and" shall be repealed, and to the same section the following shall be added, namely:

"and

fourthly, in any district for which the Local Government has declared that the trial of certain offences may be by special jury, the jurors shall, in any case in which the Judge so directs, be chosen from the special jury list prescribed in section 325A."

Substitution of new section for section 303, Act X, 1882.

3. For section 303 of the said Code the following shall be substituted, namely:

"303. (1) Save as otherwise in this section provided, the jury shall be at liberty to return a general verdict of 'guilty' or 'not guilty' on the charge, or, if there be more than one charge, on each of the charges, on which the accused is tried; and the Judge shall so direct them.

(2) Instead of directing the jury generally to return a verdict on any charge, the Judge may require them to return a special verdict consisting of separate findings on any particular questions of fact which he may desire, and he shall thereupon determine whether, in accordance with such findings, the accused is to be recorded as having been convicted or acquitted by the jury on that charge, or, if such findings affect more than one charge, on each of such charges.

(3) After a general verdict has been returned, if the Judge is in doubt whether it is one with which he should or not express disagreement, he may, notwithstanding such verdict, require the jury further to return a special verdict on any question or questions of fact on which he may desire their opinion, and shall, after the receipt of such special verdict, finally determine whether to agree or disagree with the general verdict of the jury.

(4) After a special verdict has been returned under the provisions of sub-section (2) or sub-section (3), if the Judge requires any further information on any particular questions of fact to enable him to determine whether to express agreement or disagreement with such verdict or whether such verdict amounts to one of acquittal or conviction, he may require the jury to return a further special verdict as to such questions of fact, and after the receipt of such further verdict he shall finally determine whether to express agreement or disagreement with the jury or whether the verdict is to be recorded as a verdict of acquittal or conviction, as the case may be.

(5) In any of the foregoing cases, if the Judge is in doubt as to the meaning of the verdict returned by the jury, he may ask them such questions as may be necessary to ascertain what their verdict is, provided that he shall not in any case inquire of the jury their reasons for any verdict, or whether they have believed or disbelieved any particular witness.

Every such question and the answer there-to shall be recorded."

4. (1) In section 307 of the said Code, for the words "so completely that he considers it" the words "and is clearly of opinion that it is" shall be substituted.

Amendment of section 307, Act X, 1882.

(2) In the same section, for the words "but it may" the words "and subject thereto it shall, after considering the entire evidence and after giving due weight to the opinions of the Sessions Judge and the jury," shall be substituted.

5. To section 319 of the said Code the following words shall be added,

Amendment of section 319, Act X, 1882.

namely :  
"or, if the Local Government, on consideration of local circumstances, has fixed any other area in this behalf, within the area so fixed."

6. After section 325 of the said Code the following section shall be inserted,

Insertion of new section after section 325, Act X, 1882.

"325A. In the case of any district for which the Local Government has declared that the trial of special jurors.

certain offences shall, if the Judge so direct, be by special jury, the Sessions Judge, and the Collector of such district or other officer as aforesaid, shall prepare, in addition to the revised list herebefore prescribed, a special list containing the names of such jurors as are borne on the revised list and are, in the opinion of such Sessions Judge and Collector or other officer as aforesaid, by reason of their possessing superior qualifications in respect of property, character or education, fit persons to serve as special jurors: Provided always that the inclusion of the name of any person in such special list shall not involve the removal of his name from the revised list nor relieve him of his liability to serve as an ordinary juror in cases not tried by special jury."

7. In section 326 of the said Code, after the

Amendment of section 326, Act X, 1882.

words "the said revised list" the words "or the said special list" shall be inserted, and the words "on the revised list" shall be omitted.

### STATEMENT OF OBJECTS AND REASONS.

THE object of this Bill is to give effect to such of the recommendations made by the Jury Commission of 1894 as have been approved by the Government of India and Her Majesty's Secretary of State.

2. Section 1, sub-section (1), of the Bill purports to amend section 269 of the Code of Criminal Procedure, 1882, so as to require the previous sanction of the Governor General in Council when it is desired by a Local Government under that section to extend or restrict the system of trial by jury.

3. By sections 1, sub-section (2), 2, 6 and 7 the necessary amendments in the Code are proposed in order to enable a Local Government to declare that in certain districts special jury lists shall be prepared and the services of special jurors utilized in any case triable by jury if the Sessions Judge, on application made to him or of his own motion, so directs. It is provided that the jurors borne on such special lists shall be persons selected from the ordinary jury lists on account of their superior qualifications, and also that service as a special juror shall be taken into account merely as service on a common jury and shall not entitle a juror to exemption from serving in his turn with common jurors.

4. Section 5 of the Bill makes an addition to section 319 of the Code with the object of empowering a Local Government, when necessary, to declare that jurors or assessors may be summoned from an area other than the "district in which they reside."

5. In view of the difficulty experienced by Sessions Judges in bringing the minds of juries into contact with the various essential considerations on which in many cases depends the return of a proper verdict as to the offence (if any) committed, it is proposed by section 3 of the Bill to amend section 303 of the Code so as to empower the Judge to require from the jury, either before or after, or both before and after, the return of their verdict, separate findings on any issues of fact which he may consider material.

6. Section 307 of the Code it is desired to amend by section 4 of the Bill in order to define more precisely the duties of a Sessions Judge and of the High Court, respectively, in cases in which the former disagrees with the verdict of a jury.

5. All income arising from the Pension Fund and paid to the Managers under the provisions of this scheme shall be applied by them in accordance with the following provisions, that is to say:—

(a) In the first place, the Managers shall pay out of the said income to each of the persons whose names, addresses and descriptions are set forth in the first and second columns of the Schedule hereto (such persons being hereinafter referred to as "the original pensioners"), a pension of such an amount and payable at such times as is shewn by the particulars set opposite the name of such original pensioner in the third column of the said Schedule during his life, or until he shall, in the opinion of the Managers, have been guilty of such misconduct as to disentitle him to receive such pension, or until he assign or charge or attempt to assign or charge the same or any part thereof, or until the happening of any other event whereby such pension or any part thereof, if belonging absolutely to him, would become vested in or payable to some other person and not be applicable for the personal benefit of such pensioner, or until the circumstances of such pensioner shall for any reason have so changed as, in the opinion of the Managers, to render it inexpedient that he should any longer receive his said pension, so that such pension shall cease to be payable upon the happening of such of the said events as shall first happen.

First in payment of pensions set forth in the Schedule.

Events upon which the original pensions are to determine.

(b) If and so often as the pension payable to any married original pensioner hereunder shall cease to be payable either by reason of his death or during his lifetime by the happening of any event other than his misconduct, then the Managers shall (unless in their discretion they deem it inexpedient so to do) pay to the wife or husband of such pensioner (as the case may be) a pension of such amount not exceeding the amount of the pension payable to such original pensioner as the Managers may think fit during the life of such wife or husband, or during such shorter period or periods, either continuous or discontinuous, and upon and subject to such terms and conditions as the Managers may deem proper.

(c) So much of the said income arising from the Pension Fund as from time to time shall not in the opinion of the Managers be required for the payment of any of the pensions mentioned in either of the two last preceding sub-sections shall from time to time be applied by the Managers in payment of pensions or allowances to such persons for the time being resident in Calcutta, and being of any Christian religion as may from time to time be selected by the Managers. Every such pension or allowance shall be of such amount (not exceeding in the case of any one person the sum of Rs. 25 per month) as the Managers may from time to time determine, and may be made payable during the life of the recipient thereof or during such shorter period or periods, either continuous or discontinuous, and determinable on such events and be subject to such conditions as the Managers may in each case deem expedient. In this sub-section the expression "Calcutta" shall mean and include every place situate within the town of Calcutta or the suburbs adjacent thereto (including Howrah), and in selecting pensioners under the provisions of this scheme the Managers shall, as far as practicable, give a preference to such persons as the Managers may consider to be East Indians or of European parentage and permanently domiciled in Calcutta. Provided that the Managers shall not be bound to make any pension or allowance determinable upon the recipient thereof ceasing to reside in Calcutta or to cease to pay any pension or allowance upon the recipient thereof ceasing to so reside.

(d) If and so often as any pensioner (whether original or otherwise) shall by reason of bodily or mental ill health be, in the opinion of the Managers, incapable of receiving his pension or allowance, the Managers may pay the same or any part thereof to such person on his behalf as they may think fit without being bound to see to the application thereof or being responsible for the misapplication thereof, or they may themselves apply all or any part of such pension or allowance in such manner as they may consider to be for the benefit of such pensioner.

As to continuing pensions to wives or husbands of original pensioners.

As to payments to or for the benefit of incapacitated pensioners.

(e) The Managers shall at all times keep proper books, and shall cause to be entered therein the names, addresses, and descriptions of all the recipients of pensions or allowances under this scheme and the respective amounts of such pensions and allowances, and also accounts of all monies received and expended by the Managers under this scheme, and all other matters likely to be useful for or in connection with the administration of the trusts hereof, or which may from time to time be required by the Government of Bengal to be entered in such books, and the Government of Bengal and any person appointed by them shall at all reasonable times have access to all such books and be at liberty to inspect the same and take copies or extracts therefrom.

(f) The Managers shall also at all times, both during their tenure of office and after the determination thereof, furnish to the Government of Bengal or any person appointed by such Government all such information as the Government may require in relation to the trusts hereof or the administration thereof, or any other matters in anywise connected therewith.

Books to be kept by Managers.

Managers to give information to the Government of Bengal.

(g) The Managers may from time to time make such rules and regulations (not being inconsistent with the terms of this scheme) as they may think fit with reference to the management of the income of the Trust Fund and the mode of payment of any pensions or allowances hereunder and otherwise in connection with the administration of the trusts of this scheme, and may from time to time alter or vary the same in such manner as they may deem expedient; provided that all such rules and regulations, and all alterations and variations thereof, shall as soon as practicable after the making thereof be submitted to the Government of Bengal, and any rule or regulation, whether original, or altered, or varied, which that Government shall consider improper or undesirable shall be forthwith cancelled.

6. All income arising from the Management Fund shall be applied by the Managers in payment of the expenses incurred by them in connection with the duties imposed on them by sub-section (e) of the last preceding clause hereof and so that for the purposes of such duties the Managers may from time to time employ an accountant or clerk upon such terms as they may think fit, provided that the salary for the time being payable to any such accountant or clerk shall not exceed the income for the time being of the Management Fund.

7. The receipt in writing of the person acting as treasurer to or other proper officer for the time being of the Managers shall be a good discharge to the Treasurer for all monies paid to the Managers under the provisions of this scheme, and the Treasurer shall not be in anywise responsible for the misapplication or non-application of any such monies, or be bound to see whether such monies or any of them are being applied in accordance with the provisions of this scheme.

8. The Treasurer may either permit the Trust Fund or any part thereof to remain in the state of investment in which it may be when the vesting order is made, or may under direction of the Government of Bengal, as provided in section 10 of Act VI of 1890, vary or transpose such investment or any future investments representing the Trust Fund or any part thereof into or for any other investment in which trust funds may for the time being be authorized by the law for the time being in force in India or in England to be invested, provided that, notwithstanding any change of investments, the Pension Fund and the Management Fund shall, as far as practicable, be kept separate.

9. In case any preferential right to take or subscribe for any new or other funds, shares, stock, or securities shall be offered to the Treasurer as holder of the Pension Fund or of the Management Fund, the Treasurer may, under such direction as aforesaid, dispose of or transfer any such new funds, shares, stock or securities or the title thereto in such manner as he may be directed, and every premium or profit arising therefrom shall, as well as all interest, dividends, bonuses or other advantages payable or receivable in respect of the Pension Fund or the Management Fund be treated as income of the Fund in respect of which it shall be payable or receivable.

10. Every Association who shall for the time being be Managers under this scheme shall hold their office until—

- (a) they shall be dissolved, or
- (b) they shall, by giving notice in writing to the Government of Bengal, resign their office, or
- (c) the Government of Bengal shall, by writing under the hand of the Secretary in the General Department, certify to the effect that, in the opinion of Government, they have seriously and persistently failed to observe or perform the provisions herein contained with respect to the application by them of the income of the Pension and Management Funds, or either of them,

and upon the happening of any such event, such Association shall vacate their office of Managers.

11. If and so often as the office of Managers under this scheme shall by any means be vacant, the Government of Bengal may from time to time appoint any Association which they may think fit, to fill the vacant office. Provided that, if the District Charitable Society at Calcutta, who shall be the first Managers, shall vacate their office by reason of their dissolution, the Government of Bengal shall appoint as Managers in their place the successors of the said Society, if such successors shall, in the opinion of the Government of Bengal, be a charitable association constituted or organised under or in accordance with a scheme approved by the Government of Bengal; and so that in filling up any vacancy in the office of Managers the said Government shall, as far as may be practicable, always appoint an Association constituted or organised in manner last aforesaid.

12. Any Managers who shall vacate their office under any of the foregoing provisions shall thereupon deliver all monies in their hands subject to the trusts of this scheme, and all books and papers relating to the administration of the said trusts, or to any matters in anywise connected therewith to such person as the Government of Bengal may appoint for that purpose.

13. The Government of Bengal shall have power in their uncontrollable discretion to determine all questions, disputes or matters of doubt touching the construction, meaning or effect of these presents or any clause or thing herein contained, or the rights or liabilities of any person under these presents or otherwise howsoever in relation to the trusts hereof or arising in the execution of the trusts of these presents, and every determination, whether made upon a question actually raised or implied in the acts and proceedings of the Government of Bengal shall be conclusive and binding on all persons interested or claiming to be interested under this scheme.

*Rules under Section 4, Act III (B.C.) of 1879, entitled an Act to provide for the Periodical Inspection of Steam-boilers and Prime-movers attached thereto in the Town and Suburbs of Calcutta, and in Howrah, and since extended to all places in the districts of Hooghly, Howrah and the 24-Parganas, within a radius of 30 miles from Calcutta, to the Subdivisions of Raniganj, Giridih and Gobindpur, to the District of the Sonthal Parganas, and to the Municipalities of Burdwan and Bhagalpur.*

I.—The office of the Commissioners for the Inspection of Boilers shall be attached to the office of the Commissioner of Police.

II.—A Boiler Commission shall be appointed, to consist of the Commissioner of Police, or the Deputy Commissioner of Police, or both, and not less than three other Commissioners to be appointed by Government from time to time; and it shall meet periodically (at least once a month) to arrange for the transaction of business. One of the Commissioners shall be appointed President, and the Secretary shall be Vice-President and *ex-officio* a member of the Commission.

III.—It shall be the duty of the Commissioners at the monthly meetings—

(1) To examine the diaries of the Inspectors and pass such orders thereon as may seem necessary.

(2) To revoke or suspend any certificates under section 8.

(3) To hear any appeals preferred by owners of boilers under section 9.

(4) To keep a record of their proceedings in such form as may seem advisable, and submit a copy of the same to the Chief Secretary to Government.

(5) To submit an annual budget to Government, showing the estimates, receipts, and disbursements of the Commission for the ensuing year.

(6) To submit an annual report\* reviewing the work done by the Boiler establishment during the financial year.

(7) To prescribe the registers and accounts which are to be kept up by the Secretary and office.

(8) To cause a statement of demands, collections, and outstandings to be prepared by the Secretary, and to scrutinise the same.

(9) To check the statement of demands, comparing the arrear demand with the statement of outstandings for the previous month, and the current demand with a statement of work done, to be prepared by the Secretary from the diaries of the Inspectors.

(10) To compare the statement of collections with the cash-book, and the cash-book with the bank-book.

(11) To pass such orders as they may think fit for realising or otherwise disposing of the outstandings.

IV.—The Commissioners shall from time to time prepare and submit, for the sanction of Government, a schedule of the establishment and salaries they consider necessary for the purposes of this Act.

V.—After sanction of such schedule, the Commissioners shall have the power to appoint the Inspectors and clerks, &c., and they shall also have power to suspend or remove such officers.

V(a).—The Commissioners, other than the Vice-President and Secretary, shall receive a fee of Rs. 20 each for attending each general meeting of the Commission, the charge being debited to the "Steam-boiler Fund."

VI.—The Vice-President and Secretary shall be the head of the branch of the office of the Commissioner of Police which is set apart for the work of the Boiler Commission, and shall be responsible to the Commissioner of Police, or, if this officer is not a member of the Commission, to the Deputy Commissioner of Police for the good order and management of the office. He shall see that all notices are duly served, and that all fees are duly brought to account and paid into the Bank. He shall himself verify the balance at credit, shown in the accounts of the Commissioners' office, with the balance in the Bank. He shall refer all matters of importance for the orders of the President.

VII.—Notices under section 6, requiring owners or persons in charge of boilers to make alterations or additions, shall only be given by the Inspectors in writing, and when any such notice is given, the recommendation shall also be recorded in the diary. When an appeal is heard by the Commission, notice shall be given to the appellant, and any representation that may be made by him will be heard in the presence of the Inspector. The Inspector will also be heard, and local inspection made, if necessary. The decision of the Commission will be given in writing, and such decision shall be final.

VIII.—When an inspection under the Act is completed, the Inspector making it shall prepare a declaration in the form No. 2 appended hereto, in column 8 of which the limit of the working pressure, in pounds per square inch, shall be clearly noted. The declaration shall then be sent to the owner.

IX.—The owner, manager or agent to whom a declaration is given under the last foregoing section shall, within fourteen days after the date of the receipt thereof, send the declaration, together with the amount of the fee mentioned at foot thereof, to the office of the Commissioner of Police.

If he fails to do so, he shall forfeit a sum not exceeding five rupees for every day beyond that period, and the owner, manager or agent shall pay the sum so forfeited on the delivery of the certificate of inspection in addition to the fee payable for the certificate.

X.—Upon receipt of the declaration in the office of the Commissioner of Police, the Vice-President and Secretary shall prepare a certificate

\* Not later than the 15th May.

in the form prescribed by the Act. Such certificate shall be signed by the Vice-President and Secretary and shall be delivered to the owner, manager or agent of the steam-boilers inspected, on his paying the fees and other sums (if any) payable under rule IX on delivery of a certificate.

XI.—The declaration given shall have the effect of a certificate for 30 days from the date of inspection under rule VIII, but no longer; and unless the fees and other demands are paid, and the certificate taken out within that period, the owner, manager or agent shall be liable to all the penalties prescribed in the Act for using an uncertificated boiler. Provided that, if the boiler is worked under a declaration for any period less than 30 days, the owner, manager, and agent shall nevertheless be liable to pay the same fee as if he had taken out a certificate.

XII.—For every certificate of inspection granted under this Act, the owner, manager or agent of the steam-boiler inspected shall pay to the Commissioner of Police, or, when he is not a member of the Commission, to the Deputy Commissioner of Police, a fee calculated on the horse-power of the steam-boiler according to the scale laid down in rule XVII, and such additional fee in respect of the expense (if any) of the journey of the Inspector to the place where the boiler is situated, as is prescribed in rule XVIII.

XIII.—A certificate granted under this Act shall not be in force—

(1) after the expiration of one year from the date thereof, or

(2) after the expiration of the period, if less than one year, for which the boiler and machinery have been stated in the certificate to be sufficient, or

(3) after notice has been given by the Commissioners to the owner, manager or agent of the steam-boiler to which the certificate relates that they have cancelled or suspended it.

XIV.—There shall be two kinds of inspection of boilers—

(a) A thorough examination once every twelve months, inside and outside, to be made by one of the Inspectors in person, for which purpose the boilers must be empty, cool, and clean, and flues swept; and, if required by the Inspector, any parts or settings must be removed for a complete examination of the boiler in every part.

(b) An ordinary inspection made at any time when an Inspector has reason to believe that the boiler is being improperly worked, or that the person in charge is not competent.

XV.—The Inspector shall give one week's notice of every such intended thorough examination; and if after that notice the boilers are not

empty, cool, clean, and ready for inspection on the date named, the Inspector shall prohibit the boilers from working, and shall report the case to the Commissioners. Further, if any request be made to remove fittings or settings, and such be not complied with, the Inspector shall in like manner stop the working of the boilers.

(a) Provided that the inspection of boilers in the Raniganj, Giridih, and Gobindpur subdivisions, in the district of the Sonthal Parganas, and in the Municipalities of Burdwan and Bhagalpur, shall be made during the months of November to May inclusive, and the Inspector shall give 14 days' notice of the day when he will make such inspection.

FINANCIAL DEPARTMENT.

NOTIFICATION—No. 404T.—F.

*The 14th September 1895.*—In exercise of the powers conferred on him by section 55 of the Indian Stamp Act, I of 1879, and section 27 of the Court Fees Act, VII of 1870, the Lieutenant-Governor is pleased to make the following rules, in supersession of all previous rules on the subject, supplementary to the rules for the custody, supply and sale of stamps of all descriptions prescribed in the Resolution of the Government of India in the Department of Finance and Commerce, No. 1439S.R., dated the 27th March 1895, and published under this Government Notification No. 2294S.R., dated the 18th April 1895, at pages 359-363, Part I of the *Calcutta Gazette* of the 24th idem:—

I. Under rule 7 of the rules of the Government of India, each local depôt should Supplementary to Rule 7 of the rules of the Government of India. ordinarily maintain a supply of stamps equal to the probable consumption for five months. The whole stock of certificates to pleaders, mukhtears, and revenue agents should, however, be in the depôt by the beginning of December.

The Collector of Calcutta should ordinarily maintain a supply equal to the probable consumption for one month.

II. In order, however, to prevent the inconvenience which arises from the Superintendent of Stamps being required to comply with indents for stamps while engaged in half-yearly stock-taking, Collectors should make such arrangements to provide themselves with stamps of all kinds as will preclude the necessity of submitting any indents during the months of April and October each year.

III. (a) On the receipt of a supply of stamps in a local depôt from the central depôt, or Supplementary to Rule 11 of the rules of the Government of India. from any other local depôt, packets or boxes containing stamps above the value of (eight) 8 annas shall be opened, one at a time, and within the day after their receipt at the latest, in the presence of the officer in charge, who shall count every stamp of the value of Rs. 8 and upwards. Stamps of the value of less than Rs. 8 shall be counted in the presence of the officer in charge. The number and value of the stamps received shall then be compared with the invoice, so that any deficiency may at once be detected. Packets containing stamps of the value of (eight) 8 annas and less shall be closely inspected by the officer in charge in order to ascertain that they have not been opened or tampered with in transit, and if they do not present any suspicious appearance, they shall be taken as containing the full number of stamps stated in the invoice and locked up in the stamp chests or presses with a copy of the invoice and the letter of advice. A receipt shall then be forwarded by the first post to the depôt from which the stamps have been supplied. Under rule 11 of the rules prescribed by the Government of India, the officer in charge is responsible for carefully observing these instructions and for satisfying himself as to the number of stamps before signing the receipts.

(b) On the receipt of a supply of court-fee stamps, the seals of the packets containing the stamps shall be broken and the packets opened in the presence of the officer in charge, who shall, with his own hands, count all sheets containing stamps of the value of (four) 4 annas and upwards, so that any deficiency may at once be detected. Court-fee stamps being supplied in sheets, each containing a number of stamps, the officer in charge shall, for his own security, see that each sheet contains the full number. Stamps of the value of less than 4 annas shall be counted also in the presence of the officer in charge. They shall then be compared with the invoice, and a receipt shall be forwarded by the first post to the depôt from which they have been supplied. The officer in charge is responsible for carefully observing these instructions, and for satisfying himself as to the number of stamps received before signing the receipt.

IV. The stock to be made over to the *ex-officio* vendor at a local depôt to be kept by him under single lock, should ordinarily be sufficient for the probable demand of one week. In the case of a branch depôt no portion of the stock should be made over to the *ex-officio* vendor, except when the officer in charge is proceeding on tour, when the amount made over should not exceed what will probably be required during his absence. The *ex-officio* vendor shall prepare an indent for the quantity required, and receive a supply in the manner indicated in Rule 15 of the rules prescribed by the Government of India. The Collector of a district may, with the sanction of Government, fix such shorter term as the necessities of his district may require.

V. The account of the daily sales of stamps, to be kept by the *ex-officio* vendor in the form and manner prescribed in Rule 16 of the rules of the Government of India, shall be kept in English or in the vernacular of the district.

Supplementary to Rule 16 of the rules of the Government of India.

VI. In cases where there is likely to be a distinct saving of cost or greater security of the stamps in transit, the Board of Revenue are authorized to sanction the despatch of stamps direct from the central depôt to branch depôts, such supplies being treated by the Superintendent of Stamps as supplies to the local depôts, to which the branch depôts are subordinate.

Supplementary to Rule 29 of the rules of the Government of India.

VII. Under Rule 30 of the rules prescribed by the Government of India, the supply to be kept in a branch depôt should ordinarily be equal to the probable demand for three months. In the Alipur and Angul depôts in the districts of Jalpaiguri and Angul, respectively, a supply equal to the probable consumption for six months should be kept at the end of each cold weather.

Supplementary to Rule 30 of the rules of the Government of India.

Secy. to the Govt. of Bengal.

Provided that, if the boiler is worked under a declaration for any period less than 30 days, the owner, manager, and agent shall nevertheless be liable to pay the same fee as if he had taken out a certificate.

XII.—For every certificate of inspection granted under this Act, the owner, manager or agent of the steam-boiler inspected shall pay to the Commissioner of Police, or, when he is not a member of the Commission, to the Deputy Commissioner of Police, a fee calculated on the horse-power of the steam-boiler according to the scale laid down in rule XVII, and such additional fee in respect of the expense (if any) of the journey of the Inspector to the place where the boiler is situated, as is prescribed in rule XVIII.

XIV.—There shall be two kinds of inspection of boilers—

(a) A thorough examination once every twelve months, inside and outside, to be made by one of the Inspectors in person, for which purpose the boilers must be empty, cool, and clean, and flues swept; and, if required by the Inspector, any parts or settings must be removed for a complete examination of the boiler in every part.

(b) An ordinary inspection made at any time when an Inspector has reason to believe that the boiler is being improperly worked, or that the person in charge is not competent.

XV.—The Inspector shall give one week's notice of every such intended thorough examination; and if after that notice the boilers are not

empty, cool, clean, and ready for inspection on the date named, the Inspector shall prohibit the boilers from working, and shall report the case to the Commissioners. Further, if any request be made to remove fittings or settings, and such be not complied with, the Inspector shall in like manner stop the working of the boilers.

(a) Provided that the inspection of boilers in the Raniganj, Giridih, and Gobindpur subdivisions, in the district of the Sonthal Parganas, and in the Municipalities of Burdwan and Bhagalpur, shall be made during the months of November to May inclusive, and the Inspector shall give 14 days' notice of the day when he will make such inspection.

(b) If any boiler needs inspection in the Raniganj, Giridih, or Gobindpur subdivision, in the district of the Sonthal Parganas, or in the Municipalities of Burdwan and Bhagalpur, during the months of June to October inclusive, either as being a new boiler requiring a certificate, or as being a boiler which the owner for any other reason wishes to have inspected, it may, on the application of the owner, manager or agent, be inspected during that period.

XVI.—The Vice-President and Secretary shall submit to the Commissioners at each meeting the Inspectors' reports on the boilers inspected, in the form of a diary which shall be recorded in the office.
